BAPTISM & CONFIRMATION AT ECHUNGA

Taking the Step

We are really glad you are thinking about this.

There is nothing on this page you can get wrong. It is here so that we know a little about you before we sit down together, and so that Church Council has what it needs when the time comes. If a question does not fit you, leave it.

First, one question

HAVE YOU BEEN BAPTISED?

- ☐ **No** — then we are talking about baptism. If you would also like to become a member of the church, both things happen together in the same service.
- ☐ **Yes** — then we are talking about confirmation: making your own yes to something God began in you long ago.
- ☐ **I'm not sure** — that is more common than you would think, and it is not a problem. We will help you find out.

Your story

What has brought you to this point? A few lines is plenty.

What you will be asked

On the day, in front of everybody, you will be asked to say four things. They are the same four for everyone, everywhere in our church:

That **Jesus Christ is your Saviour and Lord.**

That you mean to **follow him in ordinary daily life.**

That you intend to **take a real part in the life of this church** and support its work.

That you will **seek God's just and good ways** in the world.

Nobody is asked to be certain about everything, or to have their life sorted out.

What happens next

- 1 We sit down over a cuppa and talk it through properly. No rush.
- 2 Church Council is asked to approve. This is a warm formality, not an examination.
- 3 We pick a Sunday that suits you and the people you want there.
- 4 On the day you make your promises, you are signed with the cross, and hands are laid on you while we pray for you.

TAKING THE STEP · CONTINUED

We keep church records of baptisms, confirmations and members, as our church requires of us. What you write here is used for that and for ordinary pastoral contact, is not shared outside the church, and you can ask to see or correct it any time.

AN EXTRA PAGE, IF YOU WOULD LIKE IT

In your own words

It is for younger candidates especially — fill it in with a parent, or on your own, or with someone you trust.

What made you want to do this?

Who first told you about Jesus, or helped you learn about him?

What do you like about being part of this church?

Is there anything you wonder about, or find hard to believe?

A good question is worth more than a tidy answer.

Is there a Bible verse, a song, or a story that means something to you?

What would you like us to pray for you?

For a parent

Is there anything you would like us to know, or anything you would like to ask?
